

## 2022 Communication with the CPAs:

### 1. Methods of communication:

Independent directors and CPAs hold at least four closed-door meetings a year. In case of major abnormal events, meetings can be called at any time. In 2022, independent directors and CPAs held six closed-door meetings. The CPAs reported to the independent directors on the Company's financial situation and audits, and fully communicated whether there are material adjustment entries or regulator amendments that have a material impact on the Company.
